Why CreativePlay? What Makes These Workshops Special?

Teachers LOVE hands-on trainings! These engaging workshops build emotional intelligence, classroom skills & genuine peer connections. Academic content is delivered interactively & hands-on activities reinforce learning objectives.

Learning Content: Are Lectures Evidence-Based?

Academic content is evidence based & written by Anna Reyner, based on her nationally recognized ECE Trainings. Lectures are visual based on slides & video clips from real ECE classrooms.

Speaker Fee: What's the cost?

Fee Schedule is available on request, email Art@annareyner.com
All fees are aligned with nationwide standards.

Time: How Long are Virtual Workshops?

Virtual workshops are 2 hours and include 2 training topics. Select one topic from Stress Management and one from Curriculum Content. Or, book 3-4 topics for half or full-day virtual.

In-Person: Can You Come to Us?

In-person requires a half or full day booking, due to lengthy travel/set-up times. It includes 3 or 4 training topics with lots of hands-on, and can be customized.

Spanish Bi-Lingual: Que es Eso?

Any training topic can be delivered in Spanish, on request. The same training can be delivered once in English, then repeated on another date in Spanish.

Hands-On: What's Included?

Hands-on reinforces learning objectives and includes creative writing, expressive art, and small group collaborations.

Art Materials: What Do We Need?

No art material purchase needed for Virtual Workshops, which simply require paper, crayons and watercolors that most teachers own. I will send you an art materials list.

What's Next? Let's Talk!

Schedule an exploratory Zoom Meeting with Anna to view a variety of Training Topics and discuss your needs.
