

ART is a universal language

IT CAN BRIDGE DIVIDES WITHIN A COMMUNITY.

ART ACTS AS A VESSEL TO SHARE STORIES,
BRING AWARENESS AND CELEBRATE ALL CULTURES.

ART REMINDS US WE SHARE SIMILARITIES
AND DIFFERENCES AND THAT BOTH ARE VALUABLE.
WE EXPRESS OUR INDIVIDUALITY AND WORK TOGETHER.

WE SHARE IDEAS AND MATERIALS.

WORKING TOGETHER TOWARDS A COMMON GOAL
CREATES A SENSE OF BELONGING AND SHOWS US
THAT COOPERATION AND COLLABORATION
CAN FEEL GOOD.

CHILDREN'S ARTWORK VISIBLY ILLUSTRATES
THAT WE ARE ALL DIFFERENT.
IN DOING SO, IT DEMONSTRATES THE CORE PRINCIPLE
OF ANTI-BIAS EDUCATION: THAT
WE ARE BOTH THE SAME AND UNIQUE,
AND THAT IS SOMETHING
TO CELEBRATE.
